

**DETAILED ACTION**

The final rejection mailed on February 20, 2009 is withdrawn. The following office communication is prepared in reply to the amendment filed on November 12, 2008. Any inconvenience caused by this action is regretted.

Further, the non-elected claims resulted from a restriction requirement mailed on February 12, 2007 are rejoined and all claims 8-29 are treated on the merit.

***Allowable Subject Matter***

1. Claims 8-29 are allowed.
2. The following is an examiner's statement of reasons for allowance: claims are allowable at least for the reason that the prior art does not teach or reasonably suggest the pivot that is movable and configured to translate in a transverse direction toward and away from the mirror foot as set forth in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
